

# HEAR HOW SUPPORTING DJWC CAN MAKE A DIFFERENCE:

"Raquel's Wings for Life is a non-profit organization that transports cancer patients free of cost to the medical facility of their choice. Our goal is to alleviate the financial burden and time required for cancer treatment. We understand the difficulties and expenses required, and we strive to make the transportation as comfortable, worry-free, and as short as possible. Patients are flown in private aircraft with the ability to make point-to-point direct flights to the destination. By receiving the very generous donation from Decatur Junior Woman's Club this year the proceeds will help complete between 80+ free flights for patients this year."

"Wise County Christian Counseling is delighted to be a charity chosen by Decatur Junior Woman's Club! WiseCCC is a nonprofit counseling center, operating on a sliding scale for our clients. We do not believe that emotional pain knows economic boundaries. We provide professional and highly skilled help for children, teens, and adults. We offer practical tools for people struggling in depression, anxiety, relational issues, grief, fear and shame, and suicidal ideation. DJWC helped provide the financial resources for us to meet these escalating needs in our community. These funds bridge the gap from what our clients can pay and the operational costs we incur. We are deeply grateful for every participant in their events that funneled into us. These women work HARD to create fun activities in our community to make great memories for us and to help charities along the way."
